# A NORMAL PIG

by K-Fai Steele

I made a book about a pig named Pip

It's about what it means to be "normal" and who gets to say what normal means. In this zine I'll show you how to draw Pip, and we'll talk about FOOD!!

## — HOW TO DRAW PIP! —

① Draw 2 circles and put dots in the middle

② Draw the snout - it's like an onion or a dumpling

③ Draw the ears - like cat ears!

④ Connect the ears + draw the bean body

⑤ Draw 4 wiggly arm + leg lines

⑥ double those lines

⑦ Her hooves are "M's" or "W's"

⑧ ADD HER SPOTS + TAIL

↓ DRAW HER HERE + PICK SOME EXPRESSIONS ↓

\*Excited, bored, furious, tired, hungry, shocked, wild, cute...

② In A NORMAL PIG food is a big theme; what we eat is a reflection of our culture, our family, and our community: burritos, pizza, curry, chicken over rice, chicken nuggets, etc.

What's something you love to eat?

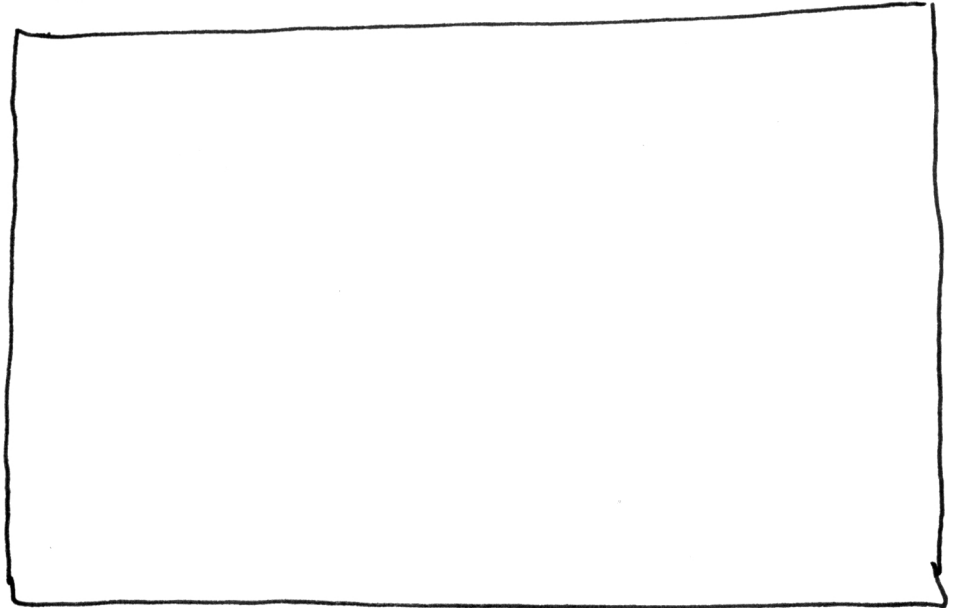

↳ DRAW IT HERE → BONUS: DRAW YOURSELF AS A PIG!!
